

What are you starting by supporting Bowl for Kids Sake?

Big Brother and Big Sister volunteers are having a positive impact on the lives of hundreds of children in Greater Halifax. Having someone in your corner, cheering you on and encouraging you to fulfill your potential is a powerful thing for a child. Our programs can be the start of something great for young people, like improved school performance, better self-esteem and a lower likelihood of engaging in risky behaviours. But don't take it from us...here's what 11-year-old Brendon has to say:

Hi, my name is Brendon. I've been a Little Brother for 4 years now. I have a Big Brother named Vern. Before I met him, I had to be on the waiting list for a year and a half. Thank goodness for the people that supported Bowl For Kids Sake or I wouldn't have a Big Brother. A Big Brother or Big Sister is important to help guide you through life as you grow older.

If our Bowl for Kids Sake staff can offer assistance to your team in the days leading up to the bowling events, please don't hesitate to contact us:
